Time: (See above)

CD: NOCTURNES DU MONDE

(NOCTURNAL CONCERTS OF THE WORLD)

Sittelle (?) (Tk 1 to 4)

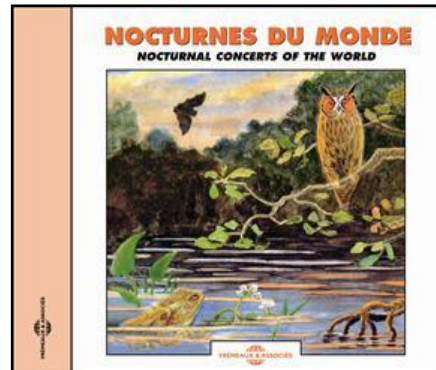

Notes: Various night animal sound recorded at night in Provence in Southern France; by a lake at Dombes in France; at the delta of the Danube River in Romania; and in Kenya.

It is not specified what species are represented here or how long each bat is heard in each selection, because what is heard is the mixed cacophony of several animals all at once.
