## **THE VALLEY OF HORSES**

SW – Fiction - Drama

**Author:** Jean M. AUDEL (Based on her novel)

**Perf:** Rowena COOPER (reader)

**Prod. Co:** BBC Audiobooks; Bath

**Time:** 21:26:50

**CD:** THE VALLEY OF HORSES

Chivers Audio Books (?) (Box set) (18XCDs)

**Notes:** This was a second unabridged reading by a British actress of this prehistoric cave people's tale, the second historical fiction novel in the series of *Earth's Children* by Jean Auel.

There were four later books in the series: *The Mammoth Hunters*, 1985; *The Plains of Passage*, 1990; *The Shelters of Stone*, 2002; and *The Land of the Painted Caves*, 2011. The next two novels had very little to do with caves as the heroine, Alya, migrated west across what is now Europe. Then the fifth book found her in the Valley of the Vézère and in the French Pyrenees, where the Paleolithic art caves were found. *The Shelters of Stone* was released as an audiobook by Brilliance Audio in 2011.
