

PICTURE COVERS – REAL CAVES

JAPAN

Omijima Sea Arch

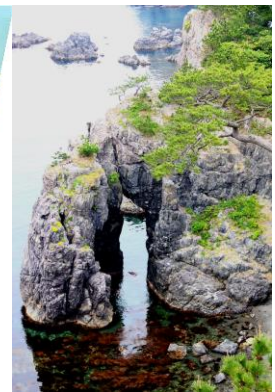

Kita Nagato Coast National Park,
Yamaguchi Prefecture

PC-RE-JP2 Japan ca.1960s
LP: JAPANESE KOTO MUSIC
Perf: (?) (World)
Label: RCA RVL-4531
Photo: (?)

Notes: The rugged rocky coastline of Japan is pierced here by a vertical sea arch seen in the bottom right of the cover photo.

This is the Omijima Sea Arch on Omijima Island, north of Nagato. The classic Japanese koto string instrument is pictured here.

Toguchi Beach Cave

Yomitan-son Township, Okinawa Prefecture

PC-RE-JP1 Japan 2000
CD: OKINAWA
Perf: Kyoko Gushiken (New Age)
Label: Pacific Moon 08894
Photo: (Color) (Unknown)

Notes: Looking out of the large entrance of a sea cave into a colorful sky and a setting sun. A low flat coastline is visible in the distance on the left. This is one of many littoral caves at Toguchi Beach on the west coast of Okinawa.
