#### HOT VOO-DOO

Comp: Sam COSLOW & Ralph RAINGER (FM#)

Rts: Famous Music Co.; New York, NY

- I. Did you ever happen to hear a voodoo?  
Hear it, and you won't give a darn what you do.  
Tom-toms put me under a sort of hoodoo.  
And the whole night long  
I don't know right from wrong.

#### 1<sup>st</sup> CHORUS:

Hot voodoo, black as mud,  
Hot voodoo, in my blood  
That African tempo has made me a slave.  
Hot voodoo, dance of sin,  
Hot voodoo, worse than gin  
I'd follow a caveman right into his cave.

- II. That beat gives me a wicked sensation.  
My conscience wants to take a vacation.  
Got voodoo, head to toes  
Hot voodoo, burn my clothes  
I want to start dancing,  
Just wearing a smile.

#### 2<sup>nd</sup> CHORUS:

Hot voodoo, I'm a flame,  
I'm really not to blame  
That African tempo is meaner than mean.  
Hot voodoo, makes me brave  
I'm want to misbehave  
I'm beginning to feel like an African queen.

- III. Those drums bring out the devil inside me  
I need some great big angel to guide me.

#### 3<sup>rd</sup> CHORUS:

Hot voodoo, get me wild  
Oh, fireman, save this child  
I'm going to blazes, I want to be bad.
