(No label & no catalog no.) (Tks 1 – 12)

Notes: A collection of caving songs put together for the enjoyment of cavers and non-cavers by this trio of cavers, members of the Vancouver Island Cave Exploration Group (VICEG). All benefits from the sale of

this CD go to the Canadian Cave Conservancy. The proclaimed leader and mentor of the trio is the “legendary” Dangerous Dick.

1. ON THE SURFACE AGAIN – “A celebration of the way we feel at the end of a long, tough trip.” – In the fine traditional of the British ballad, this one tells of a difficult caving trip and the feelings of relief when back on the surface again with a nice, refreshing beer. The chorus
