ON A BAT

NA – Synthesizer

Comp: Jeff GREINKE

Rts: Multiplex Music

Perf: Jeff **GREINKE** (synthesizer)

Prod: Jeff Greinke

Prod. Co: Multimood Records; Göteborg

Time: 4:23

CD: CHANGING SKIES

Multimood MRC-009 (Tk 8)

Notes: Judging by the album title and the other selections therein, many of which are sky-oriented, the title of this piece seems to suggest riding along “on a bat.”

“Jeff Greinke began composing and performing music in 1980 while studying meteorology at Pennsylvania State University.” (Anon. 2017)

From silence rapid Eastern-flavored percussive rhythms enter and twanging sounds bounce back and forth. Everything builds in intensity and rolls along rhythmically, hesitates briefly, then continues as before fading at the end.
